To Whom It May Concern:

It gives me great pleasure to write this letter of recommendation on behalf of Kevin Kent, a Biology teacher at John F. Kennedy High School since September 2001.

Mr. Kent is a dedicated professional who provides a supportive atmosphere for students in his classes. He is always well-prepared and has established a good relationship with his students. He creates a positive and enthusiastic learning environment.

Mr. Kevin Kent would be an excellent candidate for the Summer Intern Program and I recommend him wholeheartedly.

Please feel free to contact my office if you need additional information.

Sincerely,

Anthony Rotunno
